

VUYOLWETHU KALOLO

JUNIOR SOFTWARE DEVELOPER

PROFILE

I am a passionate and experienced software developer with a strong background in [JAVA, JAVASCRIPT,HTML & CSS,NODE JS,REACT AND PYTHON]. 0-1 years of experience in the industry, I have developed a deep understanding of software development methodologies and best practices.

My journey in software development began with a curiosity for technology and a desire to create innovative solutions to complex problems. I and have worked on a variety of projects ranging from brief description of projects, e.g., large-scale web applications to mobile apps.

I am excited about the opportunity to contribute my skills and expertise to your projects and look forward to discussing how we can work together to achieve your goals.
